

SocNeuroCrowdJC Guidelines

During the Covid pandemic, all sessions will be held on Skype.

- Meetings will be held every other Thursday from 2:00 pm to 4:00 pm (Tehran time).
- The meeting starts on time, so please be on time.
- Be careful about the date of your presentation. You can find the presentation schedule [here](#).
- Commitment to the journal club includes attending to the meetings and indicating your attendance in the online spreadsheet that is sent to the group before each session.

Before your presentation

- Send the paper to the group at least 10 days before the presentation date.
- Send your presentation file to the group at least one hour before the session starts.
- If you are not able to present, please inform the moderator as soon as you realise about your problem. This would give us time to avoid cancelling the session

After your presentation

- Write a summary of your presentation in 2-3 slides. This summary will be uploaded on the crowd cognition Journal Club page here <https://crowdcognition.net/journalclub/>.
- Send a photo of yourself to the moderator if you would like to have your picture published next to your article. If not, send an alternative relevant image. Otherwise the moderator will choose one for your post.

We encourage follow journal club Twitter feed at (@socNeuroCrowdJC) and follow updates by visiting the journal club posts on the [Crowd Cognition website](#).

Every session is recorded.

You also can find all the necessary links and the previous session recordings here: "[The Room of Requirement](#)."

Thank you for joining us, and we look forward to meeting you.
